Transferred $765,000 in other fund expenditure authority to federal fund expenditure authority within the South Dakota Risk Pool. This is a one-time transfer from operating expenses to operating expenses. The federal fund expenditure authority is needed as this program received more federal grant funds than originally anticipated. The other fund expenditure authority is available because additional federal funds were utilized instead of other funds.

I declare and affirm under the penalties of perjury that this claim has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.
