Interim Meeting Schedule

Staff distributed a handout entitled "2016 Proposed Schedule Interim Rules Review Meeting Dates" (**Document 1**). Following a brief discussion regarding the 75-day deadline for the Bureau of Administration's rules and the committee members' schedules, the first meeting was set for Tuesday, April 12, 2016. The interim schedule was set as follows: June 1, July 12, August 22, September 26, and November 14. Staff will tentatively schedule DDN sites for the meetings if requested by the members.

Department of Game, Fish and Parks' proposal regarding license allocation

Mr. Tony Leif distributed a handout entitled "State Statutes", "East River Deer – 2015", and an example of the current language used in administrative rule and their proposed language which will show the number of licenses by season, not by unit (**Document 2**). Mr. Leif reviewed the documents and asked the committee to consider allowing the department to change the way license allocations are handled in the administrative rules. Following a brief discussion, it was the consensus of the committee to try it as long as the committee is provided a spreadsheet that shows two years of license allocations and provided the charts are available to the public on the departments' website.

Adjournment

Representative Johns moved, seconded by Representative Gibson, that the meeting be adjourned. Motion prevailed on a voice vote.

Chair Vehle adjourned the meeting at 3:45 p.m.
