Transferred \$46,000 of American Recovery and Reinvestment Act (ARRA) federal fund expenditure authority within the Public Utilities Commission. This is a one-time transfer from personal services to operating expenses. This will be used for construction costs related to preparing the office space for the new electric utility analysts, training for the new analysts, and miscellaneous operating expenses. Funds are available due to new analysts starting work later in the year than previously anticipated. ****NOTE: When this document is loaded on the accounting system there should be a "R" in the 3rd position of the object for company 2000 load.****

Accounting transaction detail can be queried from the central accounting system by LRC staff. A record of this transfer and its authorization is available for public inspection in the Bureau of Finance and Management.
