

# GOALS AND OBJECTIVES

OPPORTUNITIES

## PROVIDE OUTDOOR RECREATIONAL OPPORTUNITIES

Optimize the quantity and quality of sustainable hunting, fishing, camping, trapping and other outdoor recreational opportunities.

- Expand and promote diverse recreational opportunities.
- Maintain and improve infrastructure and facilities.

RESOURCES

## SERVE AS STEWARDS OF OUR STATE'S OUTDOOR RESOURCES

Maintain and improve our outdoor resources to ensure sustainability.

- Manage park lands and facilities to optimize outdoor opportunities within social, fiscal and biological constraints.
- Utilize partnerships with private landowners and public land managers to collaboratively manage fish, wildlife and associated habitats.

CONFIDENCE

## INSPIRE CONFIDENCE

Instill trust from the people we serve through transparency and accountability.

- Maintain open and transparent fiscal processes that align expenditures with priorities.
- Maintain and improve customer service by remaining responsive to customer needs.
