WHEREAS, the Great Ruler of the Universe has ordered a final adjournment in the lives of three former members of the South Dakota Legislature, namely: the *Honorable H. Junior Engbrecht, the Honorable Carole Hillard, the Honorable Ralph Nauman, the Honorable Wayne Peterson, the Honorable Larry Stalheim, the Honorable David Strom, the Honorable Walter Zabel*; and

WHEREAS, in the lives of all these eminent public servants there was noted a profound urgency in an unselfish manner, with trials and vicissitudes often far outweighing honors, but with a consciousness that here in a land of freedom the dignity of the individual is supreme, that justice must be dispensed, and that only by eternal vigilance and unrelenting effort can self-government of a people be preserved; and

WHEREAS, it is fitting that we humbly honor the memory of those who have thus contributed to the orderly process of government under the Constitution:

NOW, THEREFORE, BE IT RESOLVED, by the Senate and the House of Representatives of the Eighty-second Session of the Legislature of the State of South Dakota duly convened in recess session in recognition of the useful lives and unflinching devotion to the interests of the State of South Dakota, as well as the rectitude of thought and action and fidelity to the highest principles of American citizenship by these honorable people, that the Senate and the House of Representatives do now pause in their labors out of respect for the memory of their late fellow associates in the functions of government, and note that in their passing, the state they have served so well has suffered a distinct loss, and though their labors have ceased and they have been laid to rest, the people of this great state have benefited greatly from the services rendered by them and they have left upon the sands of time an inspiring record of devotion to their fellow citizens under the guiding hand of Almighty God; and

BE IT FURTHER RESOLVED, that this Resolution be printed in the Journals of the Senate and the House of Representatives of the Eighty-third Session of the Legislature of the State of South Dakota, now assembled this 17th day of January, 2008, at Pierre, South Dakota.
