HOUSE BILL NO. 1143

Introduced by: Representatives Wick, Cronin, Dryden, Duvall, Erickson, Haggar (Jenna),
Hawley, Hoffman, Magstadt, Munsterman, Novstrup (David), Rozum, Sly,
Tulson, and Verchio and Senators Krebs, Adelstein, Holien, Kirkeby, Maher,
Peters, Rave, Tidemann, Tieszen, and White

1 FOR AN ACT ENTITLED, An Act to create a leased residential property classification and to
2 establish the school district general fund levy for the property classification.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That chapter 10-13 be amended by adding thereto a NEW SECTION to read as
5 follows:

6 Each leased residential property in this state is specifically classified for the purpose of
7 taxation. For the purposes of this section, the term, leased residential property, means any
8 single-family unit or structure consisting of two or more family units that is leased or rented and
9 is assessed and taxed as a separate property, including any attached or unattached garage and
10 the parcel of land upon which the structure is situated as recorded in the records of the director
11 of equalization. A person may have one or more structures classified as a leased residential
12 property. If the owner occupies less than fifty percent of the living space within a residential
13 property, the entire residential property may be classified as a leased residential property. Any
14 structure that is offered for lease or rent to a transient guest is not a leased residential property.

1 For the purposes, of this section, the term, transient guest, means any person who resides in the
2 structure less than twenty-eight consecutive days.

3 Section 2. That chapter 10-45 be amended by adding thereto a NEW SECTION to read as
4 follows:

5 The director of equalization may review any leased residential property classification, if
6 information is provided or discovered concerning the eligibility of any property that is classified
7 as a leased residential property.

8 Section 3. That chapter 10-42 be amended by adding thereto a NEW SECTION to read as
9 follows:

10 To be eligible for a property classification pursuant to section 1 of this Act, the owner of
11 each leased residential property, as defined in section 1 of this Act, shall submit a certificate to
12 the county director of equalization stating such person is the owner of the property as of the
13 assessment date pursuant to § 10-6-2. The director of equalization may request additional
14 documentation from the owner when making the determination of eligibility. If any person
15 submits information to the director of equalization contesting the eligibility of a property to be
16 classified as a leased residential property, the director of equalization shall review the
17 classification and make a determination of eligibility. The owner shall submit the certificate by
18 March fifteenth. The owner shall sign the certificate under penalty of perjury. If the director of
19 equalization classifies the property as a leased residential property, the property shall retain the
20 classification until such time as the property ownership is transferred or the property has a
21 change in use. The new owner of the transferred property which is already classified as a leased
22 residential property may meet the requirements of this section by completing and filing the
23 certificate of value required pursuant to § 7-9-7 at the time of the transfer of the property. If the
24 legal description of property is changed or amended and the owner continues to use the property

1 for the same use, the owner shall retain the leased residential property classification. The
2 Department of Revenue shall prescribe the form of the certificate and the certificate of value
3 required pursuant to § 7-9-7. Appeals regarding the leased residential property classification
4 shall be made directly to the county board of equalization pursuant to § 10-11-23.

5 Section 4. That chapter 10-13 be amended by adding thereto a NEW SECTION to read as
6 follows:

7 Any person who receives a leased residential property classification by misrepresenting the
8 facts as to the person's ownership or use of the leased residential property shall be assessed a
9 penalty equal to ten dollars per thousand dollars of valuation on the subject property, which
10 assessment shall become a perpetual lien on the property pursuant to § 10-21-33. The person
11 shall be barred from receiving the leased residential property classification for any property in
12 the state for the following three years.

13 Section 5. That § 10-13-43 be amended to read as follows:

14 10-13-43. By November first of each year, each county auditor shall provide to the
15 Department of Revenue the following information:

- 16 (1) Such county's property levy sheet;
- 17 (2) Such county's recapitulation of tax lists which includes total amount of taxes and
18 valuations by agricultural, owner-occupied, ~~non-ag~~ leased residential property,
19 nonagricultural which is not owner-occupied or leased residential property, and
20 utilities.

21 By December first of each year, the Department of Revenue shall approve the levies of all
22 property taxing jurisdictions in the state certifying that the property tax jurisdictions have not
23 exceeded the maximums prescribed in law before any tax levies are extended by the county
24 auditor.

1 Section 6. That § 10-6-31 be amended to read as follows:

2 10-6-31. For the purposes of taxation, all property is hereby classified into the following
3 classes:

- 4 (1) Agricultural property;
- 5 (2) Nonagricultural property;
- 6 (3) Owner-occupied single-family dwellings; and
- 7 (4) ~~Nonagricultural acreage property~~ Leased residential property.

8 Agricultural property includes all property and land used exclusively for agricultural
9 purposes, both tilled and untilled, and the improvements on the land. However, agricultural
10 property does not include any normally occupied dwelling or automobile garage or portion of
11 a building used for that purpose by the occupant of such dwelling. Owner-occupied single-
12 family dwellings include all property classified pursuant to § 10-13-39 and ~~nonagricultural~~
13 ~~acreage property includes~~ leased residential property includes all property classified pursuant
14 to ~~§ 10-6-33.14~~ section 1 of this Act.

15 Nonagricultural property includes all other property not otherwise classified.

16 The director of equalization in listing and assessing all property to which this section applies
17 shall designate opposite each description the class to which the property belongs.

18 Section 7. That § 13-11-10 be amended to read as follows:

19 13-11-10. In implementing the terms of § 13-11-9, a separate weighted average tax levy of
20 the receiving districts shall be calculated for agricultural property, owner-occupied single-family
21 dwelling property, leased residential property, and for nonagricultural property for each sending
22 school district as follows:

- 23 (1) The levy per thousand dollars of taxable valuation for agricultural property for each
24 receiving school district shall be multiplied by the number of children from the

1 sending school district to whom the receiving school district is providing educational
2 services;

3 (2) Add together the products from subdivision (1) for each receiving school district;

4 (3) Divide the sum from subdivision (2) by the total number of students that the
5 contracting school district is sending to the receiving school districts pursuant to
6 § 13-15-1.3. The quotient is the weighted average tax levy per one thousand dollars
7 of taxable valuation for agricultural property;

8 (4) The weighted average tax levy per thousand dollars of taxable valuation for owner-
9 occupied single-family dwellings, leased residential property, and nonagricultural
10 property shall be obtained by repeating the procedure outlined in subdivisions (1) to
11 (3), inclusive, for each class of property; and

12 (5) The sum of the levies assessed for all funds in the sending district shall be equal to
13 or greater than the sum of all levies for all funds in the receiving district.

14 The above calculations do not include students receiving educational services from an out-
15 of-state school district nor the tax levy of any out-of-state school district.

16 Section 8. That § 13-13-72.1 be amended to read as follows:

17 13-13-72.1. Any adjustments in the levies specified in § 10-12-42 made pursuant to §§ 13-
18 13-71 and 13-13-72 shall be based on maintaining the relationship between statewide local
19 effort as a percentage of statewide local need in the fiscal year succeeding the fiscal year in
20 which the adjustment is made. However, for fiscal year 2013 and each year thereafter, if the
21 levies specified in § 10-12-42 are not adjusted to maintain this relationship, the per student
22 allocation as defined in § subdivision 13-13-10.1(4) shall be reduced to maintain the
23 relationship between statewide local effort as a percentage of statewide local need. Any
24 adjustment to the levy for agricultural property shall be based upon the change in the statewide

1 agricultural taxable valuation and the reclassification of agricultural property to another property
2 classification. Any adjustment to the levies for nonagricultural property, leased residential
3 property, and owner-occupied single-family dwellings shall be based upon the change in the
4 statewide nonagricultural property, leased residential property, and owner-occupied single-
5 family dwellings taxable valuations. However, if any new project with a total taxable valuation
6 of one hundred fifty million dollars or more is constructed, the levies shall be proportionately
7 decreased for agricultural property, nonagricultural property, leased residential property, and
8 owner-occupied single-family dwellings. In addition to the adjustments in the levies provided
9 by this section, the levies shall also be annually adjusted as necessary to reduce the portion of
10 local need paid by local effort by an amount equal to nine million dollars from those funds
11 transferred into the property tax reduction fund pursuant to § 10-50-52 subsequent to July 1,
12 2007. In addition to the adjustments in the levies provided by this section, the levies for
13 nonagricultural property and owner-occupied single-family dwellings shall also be adjusted as
14 necessary to account for the additional increase in the total assessed value for nonagricultural
15 property and owner-occupied single-family dwellings pursuant to the phasing out and repeal of
16 the provisions provided in § 10-6-74.

17 Section 9. That § 10-12-42 be amended to read as follows:

18 10-12-42. For taxes payable in 2013 and each year thereafter, the levy for the general fund
19 of a school district shall be as follows:

20 (1) The maximum tax levy shall be eight dollars and sixty-two and eight tenth cents per
21 thousand dollars of taxable valuation subject to the limitations on agricultural
22 property as provided in subdivision (2) of this section, and owner-occupied property
23 as provided in subdivision (3) of this section;

24 (2) The maximum tax levy on agricultural property for such school district shall be two

1 dollars and thirty-two and two tenths cents per thousand dollars of taxable valuation.
2 If the district's levies are less than the maximum levies as stated in this section, the
3 levies shall maintain the same proportion to each other as represented in the
4 mathematical relationship at the maximum levies; ~~and~~

5 (3) The maximum tax levy for an owner-occupied single-family dwelling as defined in
6 § 10-13-40 for such school district shall be four dollars and two and nine tenths cents
7 per thousand dollars of taxable valuation. If the district's levies are less than the
8 maximum levies as stated in this section, the levies shall maintain the same
9 proportion to each other as represented in the mathematical relationship at the
10 maximum levies; and

11 (4) The maximum tax levy for a leased residential property as defined in section 1 of this
12 Act for such school district shall be eight dollars and sixty-two and eight tenths cents
13 per thousand dollars of taxable valuation. If the district's levies are less than the
14 maximum levies as stated in this section, the levies shall maintain the same
15 proportion to each other as represented in the mathematical relationship at the
16 maximum levies.

17 All levies in this section shall be imposed on valuations where the median level of
18 assessment represents eighty-five percent of market value as determined by the Department of
19 Revenue. These valuations shall be used for all school funding purposes. If the district has
20 imposed an excess levy pursuant to § 10-12-43, the levies shall maintain the same proportion
21 to each other as represented in the mathematical relationship at the maximum levies in this
22 section. The school district may elect to tax at less than the maximum amounts set forth in this
23 section.
