7           If the board has information that any licensee may be guilty of any misconduct as provided  
8           in section 12 of this Act or is guilty of gross incompetence or unprofessional or dishonorable  
9           conduct, the board may institute proceedings for cancellation or revocation of the license.

21          Section 17. That the code be amended by adding a NEW SECTION to read:

22          Upon written application establishing compliance with existing licensing requirements and  
23          for reasons the board deems sufficient, the board, for good cause by majority vote, may reinstate

4 The secretary-treasurer of the board shall keep a record of each person who has been granted

5 the South Dakota Board of Social Work Examiners fund established under § 36-26-43.

6 Section 24. That the code be amended by adding a NEW SECTION to read:

7 The relations and communications between a licensed behavior analyst and a person
