SENATE COMMEMORATION NO. 22

Introduced by: Senators Kloucek, Hutmacher, Moore, Olson, Reedy, and Staggers and
Representatives Munson (Donald), Engbrecht, Michels, Sebert, and Wudel

A LEGISLATIVE COMMEMORATION, Honoring Brett Scherschligt, South Dakota High School All American Football Player for 1999.

WHEREAS, Brett Scherschligt, a fullback and linebacker from Freeman, was named an All American football selection by the National High School Athletic Coaches Association; and

WHEREAS, Scherschligt was a four-year starter for the Freeman Flyers, helping them win four consecutive nine-man championships. This season he rushed for 1100 yards, had 120 tackles, 97 solos--17 for a loss. He scored 18 touchdowns and 7 two-point conversions; and

WHEREAS, Freeman coach Jim Aisenbrey said, "We have a philosophy that when you work hard, good things will eventually happen. Brett has always been a hard worker and has a motor that is constantly on the run. He started for us as a freshman, and we don't have too many kids who do that. This is probably the highest honor you can get in high school football.";

NOW, THEREFORE, BE IT COMMEMORATED, by the Seventy-fifth Legislature of the State of South Dakota, that Brett Scherschligt truly deserves the title of South Dakota All American High School football player and is a tribute to his parents, classmates, teammates, Freeman High School, and the State of South Dakota.
