12 Section 7. For the purposes of this Act, county, municipal, township, precinct, and federal  
13 census enumeration district boundaries named in this Act, are deemed to be those boundaries in  
14 existence on April 1, 2000, as utilized for the making of the 2000 federal census as noted on the

21 Section 8. If any area of this state is omitted from the provisions of this Act, the county  
22 auditor of the county containing such area shall attach the area to the district that surrounds it

24 contiguous district that has the least population according to the official 2000 federal census.

1 Any attachments made pursuant to this section shall be certified in writing and filed with the
