28-5-24. In addition to medical aid programs heretofore established, and in lieu thereof, the Department of Social Services is hereby authorized and empowered to provide medical services and medical or remedial care to or on behalf of any medically indigent person of this state who has attained the age of sixty-five years, in such manner as to complement the provisions of Title XVIII of the 1965 amendments to the federal Social Security Act, as amended to January 1, 2004, to the end that the medical needs of any such person may be adequately met.

Section 49. That § 28-5-26 be repealed.

28-5-26. No payment made to vendors of medical services, medical or remedial care, or for the prepayment of insurance, shall create or constitute a lien upon the property of the recipient or person benefitted thereby, and the disclosure of information concerning applicants and recipients hereunder shall be limited to purposes directly connected with the administration of the state plan.

Section 50. That § 28-5A-1 be amended to read as follows:

28-5A-1. In addition to the other powers granted to the Department of Social Services under chapter 28-1, the department shall have the power to and may within its discretion cooperate
with or enter into agreements with agencies of the federal government to the extent necessary or appropriate to implement the provisions of Public Law 92-603, Social Security Amendments of 1972, or any amendments thereto as amended to January 1, 2004, including but not limited to the power to agree to administer all or part of the supplemental security income program of the federal government, to provide, under such rules and regulations as may be adopted promulgated by the Board of Social Services department, for supplementary payments to qualified residents of South Dakota who are receiving or would be eligible to receive supplemental security income under Title XVI of the Social Security Amendments of 1972, or any amendments thereto as amended to January 1, 2004, or any other agreement which would be of benefit to the citizens of this state.

Section 51. That § 28-6-1 be amended to read as follows:

28-6-1. The Department of Social Services may provide medical services and medical or remedial care on behalf of persons having insufficient income and resources to meet the necessary cost thereof, if the person has exhausted all other possible public and private medical and remedial care programs, income, or benefits, with the exception of county poor relief, in accordance with rules which the secretary of social services shall adopt promulgate pursuant to chapter 1-26 in accordance with the provisions of Title XIX and Title XXI of the federal Social Security Act, as amended to January 1, 2000 2004. The rules shall specify the individuals and services for which state funds or federal financial participation are available and may include:

1. The amount, scope, and duration of medical and remedial services;

2. The basis for and extent of provider payments on behalf of an eligible person;

3. The establishment and collection of copayments, premiums, fees, or charges for sharing the cost of risk protection or services provided to persons. All such collections shall be remitted to the general fund;
(4) Methods of administration found necessary for the operation of the medical assistance program;

(5) Safeguards against the disclosure or improper use of information, required by statutory law to be held confidential, concerning applicants for or recipients of medical assistance; and
